(Established & Run by Al- Karim Educational & Welfare Trust)
School Code : 65531 **Affiliation No. 330539**

FROM THE DESK OF CHAIRMAN

Dear Parent/Guardian

Since 1993, **Katahari Public School** has combined the respect for tradition with a progressive attitude towards the future, academic rigor with a caring heart, & appreciation of the individual with the warmth of a cohesive School Community. Today in a world where society is increasingly fragmented & polarized, our School remains a community where honesty & integrity matter, humours & hard work are equally important values, & where the process of education is as important as grade of achievement. Students are challenged with very high levels of competition. Constantly infallible effort become's a prerequisite for success. They need to build up their academic credentials to stand not only to the national but global competition too. I hope the present generation shall add on the feathers in their caps by constantly aspiring towards accomplishment of the highest ideals and shall repeat the history of excellence of the institution manifold. The institution stands well equipped in its infrastructure and for all trends of extra co-curricular activities. Students are encouraged to reach the national games. Aspiration and dreams shall be made a reality by the collective efforts of the students and administration working in harmony. If you have any queries or concern regarding your child's progress or welfare, please remember that we are here to help. Our staff are all friendly, welcoming & approachable. If you are the parent of a prospective pupil then you may find a visit to the School useful. This is an opportunity to see the School at work, & find more about how we provide a high quality education for all of our children. We can also answer any question that you may have at this time. Please contact the School if you wish to arrange a visit, you will surely receive a warm & friendly welcome. We seek your participation, guidance & blessings!

NOOR ALAM
Chairman

INTRODUCTION

A child's mind is one of the God's most wonderful creations and to nourish and develop it harmoniously is one of the most arduous and rewarding task. Katahari Public School, a well established prestigious educational institution solely dedicated towards imparting quality education, nurturing positive mind set, inculcating moral values and overall personality development of the children. Katahari public school, affiliated to C.B.S.E is an English medium co-educational school having classes from KG to XII, established and run by Al.Karim educational and welfare trust under the able direction and guidance of Mr. Abu Bakr, the secretary of the Trust.

Katahari Public School was established in 1991 by Late. Mohd. Haji Karim and remained under his guidance throughout his life. Katahari Public School came into existence in 1991. The members of the trust selected Mr. Noor Alam the youngest and the most deserving son of late Mohd. Haji Karim as the chairman of this school. The session of the School began by the blessings and best wishes of late. Maulana Abdur Rahman, the fifth Ameer-shariat (Head of Islamic Parish) Bihar, Orissa, Jharkhand (peace be upon him) and the senior trustee late. **Maulana Sajjad Hussain Qasmi (Principal Madrasa Reyazulloom) in their presence.**

Since then the people having thirst of knowledge began to move towards and the consequence became a centre and origin place for the followers of the modern education. The first annual day was held on 28th Dec. 1993 and was officially inaugurated by the then Governor of Bihar Dr. A. R. Kidwai appeared as chief guest. He was impressed with the colourful programmes of the children having angelic virtues. He was very glad with the grandeur academic works and managing ability of Mr. Noor Alam. He conveyed all his wishes to the School to go ahead in the field of education and overall excellence. The Annual day was presided by Dr. Sadre Alam, the elder son of Haji. Mohd. Karim who is a renowned surgeon in Germany for a span of more than 30 years. In fact the institution has done progress by leaps and bounds in the chairmanship of Mr. Noor Alam a profound lover of education and its all round development is the main goal of his life. His creative and sacrificing attitude alone has led the school to the summit of success.

Katahari Public School got recognition from Central Board of Secondary Education (C.B.S.E) New Delhi for Secondary Classes in the year 2014 and for Senior Secondary (10+2) in the year 2017. The first 10+2 School outside the district town. The objective for its senior secondary section is to provide an opportunity and facility to the remote staying children specially girls who due to the lack of C.B.S.E English medium school do not get an opportunity to integrate themselves with modern education. Katahari Public School extend itself to reach with the unreached sections of the society and uplift them with the light of education. Our students are imparted with modern and holistic educational approach to provide our children a medium and support to compete in the global competitive and challenging educational structure.

AIMS AND OBJECTIVES

Katahari public School is an academic institution situated at Sathi, West Champaran, Bihar which has its glorious past in freedom movement, but yet major population of this place is educationally and economically backward. The inhabitants of this place wants to provide better and quality education to their children with a view that their children could qualify in competitive exams and the most important to bring their children in the mainstream of modern education so as to bring them into global manifold. To meet the immediate need ,the institution is providing quality education among the Children living in the villages. In addition to the academic excellence the institution strives for the harmonious development of the Children exploring their talents and channelizing them accordingly. This institution is open to all irrespective of caste, creed, colour and sex. The institution aims to establish a culture of high expectations which encourage students to aspire to the highest possible standards of achievement, knowledge and skills through enjoyable learning experiences. knowledge and skills through enjoyable learning experiences. It strives to meet the personal learning needs of each student and reward hard work, success and social responsibility at every level.

SCHOOL STAFF

The School has qualified, trained, competent and committed teachers. There is a good relationship between educators and students. The teacher's knowledge and scales are upgraded through periodical conduction of courses, training, seminars and through internet in the field of education. The medium of instruction is English. The prescribed syllabus is taught through modern techniques and play way method. Different supplementary reading materials are prepared by teachers and subject experts and the same are provided regularly to students. The School has set of teachers comprising of different cultural and geographical origin that brings an opportunity to the children to learn in multicultural atmosphere. LIBRARY

The Maulana Sajjad library has been built up in 720sqft. with ventilated hall. It has a sitting capacity of more than 60 students comfortably at a time. The ambience of the library attracts the students to avail its facility. The students are motivated to read books such as literature, Novel, fiction, dramas, fairytale etc. and other reference books with its wide range of Books and periodical, attracts the students. They are encouraged to utilise most of their spare time in library enriching their knowledge. The books of various subjects and periodicals are issued to the students. It also serves many books to the teachers for updating their knowledge.

LABORATORY

The School has well equipped separate modern, furnished Science lab on the left of academic building constructed in 660 sqft. of each Biology, Physics and Chemistry laboratory. All three labs are well ventilated with windows from 2 sides along with all the requirements related to their particular subject whether Physics, Chemistry and Biology to provide a theoretical as well as practical knowledge to the students of secondary and senior secondary classes to face the competitive challenges. Students from Std. VI onwards are taken to lab. for the activities and project work related to their syllabus. Experimental learning are considered to be ever lasting, with this approach we lay emphasis and students are taught in practical based atmosphere.

COMPUTER LAB

Computer has become an important asset in present era. It is the crying need of the hour. To fulfil the crying need and technological advancement, the School has set up its own computers in a well equipped room of size 720 sq.ft. The School is imparting computer education to the students in the guidance of a computer teacher. The School is having internet facility to meet the fast growing demand of this age. Computer room is located on the 3rd floor of academic building with required ventilation in the room. 25 computers has been installed. It has been also installed with wall hanging projector with attached sound system.

MUSIC

Music is a part of life which gives amusement and solace to the soul at the time of ecstasy and sorrow. Music has become an essential part of the modern education which is being carried from the past civilization. To impart musical education the School has its own different types of musical instruments like Harmonium, Tabla, Duggi, Casio, Congo, Drums etc. These are played and learnt by the students in the guidance of a qualified and well experienced music teacher.

AUDITORIUM

School auditorium has been constructed to meet the need for the personality development of students. It has been constructed in a way where male and female are segregated and have been arranged to sit separately. Ladies gallery has been constructed. Our conference hall has a sitting capacity of 1500 people at a time. It also consists of indoor badminton court for indoor games. Auditorium is our key feature where all co-scholastic activities are conducted.

The school has a magnificent auditorium for the healthy conduction of different extra-curricular activities like Singing, Drama, Acting, Debate, Speeches, Extempore, Skits etc. These programmes are conducted on every Saturday to encourage and boost the hidden talent and creativity of students so as to make them confident and good orators along with the textual wisdom.

GAME/SPORTS

To maintain the health and hygiene of the children the School has its own playground. Sports become an important domain to refresh the children's and bring a sense of amusement apart from studies which lead to a healthy stability of mind and physical out growth. Indoor and outdoor games such as football, cricket, volleyball, badminton, basketball, carrom, chess, snakes and ladders etc. are provided by the School to the children's and are trained and guided by an expert games teacher.

At the end of every session the school organises "SPORTS WEEK" in which every student participate to show their talents and skills beside studies, the winners are given prizes & certificates. The school is committed to prepare its student for participating in various sports and co-curricular events organised by the department of education at district & state level games.

CANTEEN

The school has a canteen inside the campus which provides refreshments and other eatables along with basic needs of the children daily use at a reasonable price.

REMODELLED ASSESSMENT STRUCTURE 2017

The yearly outcome and the progress of the pupils during every academic year is evaluated through Terminal examinations and internal assessments consist of periodic assessment and Notebook submission & subject enrichment which is evaluated throughout the year. The modern techniques and procedures of assessments are employed so that the assessments are by and large objective and reliable. In case of student's unsatisfactory turnout, remedial coaching is provided so that the students may take up their deficiency.

The promotion to the next higher class the following factors are strictly taken into account .:
